**Subject:** Tan's Retirement Party

Hello everyone,

Michael and I have been talking to Tan about his party which we'll be having on Wednesday, Sept 28th from 12-1pm. We have booked room 123 in the building. Tan is interested in Thai and/or Italian cuisine. We can all vote on what to order that day from the two options above. I personally know two thai restaurants in the vicinity of the lab. Not too sure about good italian, but we are opened to your suggestions. We could call in advance to order in, and two of us could go pick it up. Please email me and let me know whether you prefer thai or italian along with any restaurant suggestions in the area, and we will make a decision depending on what the majority of us likes.

Thanks and have a happy Monday :-)

Hi Everyone,

Just wanted to let you all know that Dan, Nicole, Peter, and I are having burgers tomorrow (7/27) at Dogwood Cafe down the street, and celebrating our co-existance at the drug lab :) You are all wellcome to join us. There is two options: one is to walk over there and sit down for lunch, or we can order in and one of us can go pick the food up. Let either one of us know if you are interested, and we can all come up with a plan on whether to have lunch at the cafe, or order in.

Thanks and have a great Tuesday :)
